

# MAKE EVERY WORKDAY EARTH DAY

[www.ontario.ca/wastereduction](http://www.ontario.ca/wastereduction)

**Mingling is good.  
Co-mingling, not so much.**

Sort materials right and they can be recovered. Sort them wrong and whoops! You're just making garbage.

Contact building management if you have questions or concerns regarding waste.

**DID YOU KNOW** some disposable food packaging lasts forever – and that's not a good thing. The best idea? Recycle and keep it out of landfill.
